Subject: New Knorr-Bremse® SK-7™ Air Disc Brake Pad Kit Part Number

Effectively immediately, Bendix CVS announces the availability of a new air disc brake pad kit for the aftermarket. This kit, Bendix part number K152589, contains four Bendix® OE pads and an OE hardware kit including two new retainer bars. These pads feature a new backplate design and Knorr-Bremse® ProTecS™ retention system with welded spring retainer clips (*see image below*). The performance of the pads included in this kit exceed FMVSS121 requirements and the RSD stopping distance and parking hill hold requirements.

This pad kit services the Knorr-Bremse® SK-7™ air disc brake.

Knorr-Bremse® SK-7™ Pad Kit Part No. K152589 Contains the Components Shown Below

SK-7 Brake Pad
