Subject: AIR GUARD PRODUCT OBSOLESCENCE

Effective January 1, 2000, all Air Guard products will be obsoleted and no longer available for sale. We have other Bendix products such as Air Dyers, Trailer System-Guard® Air Dryer, and DuraDrain™ Valves that do a better job of removing moisture and preventing freeze-ups in your air brake systems. You have the opportunity to do a last time buy prior to January 1, 2000. Please check with your service plant as to availability.

<i>Part Number</i>	<i>Description</i>
242100	Air Guard 1-Quart Metal Can
294028	Air Guard 1-Quart Plastic
294029	Air Guard 1-Gallon Plastic

Please make necessary obsolescence changes to your parts price lists (BW1467 and BW 1469) and advise your customers accordingly.
