

Technical Bulletin

Bulletin No.: TCH-008-018 Effective Date: 3/1/92 Page: 1 of 1

Subject: **Holset Type “E” Compressors and Bendix Air Dryers**

To ensure proper operation of their “E” Type Compressor, Holset requires specific “plumbing” on all vehicles equipped with Air Dryers. The plumbing required by Holset applies to ALL Bendix Air Dryers, including the new AD-9 Air Dryer. Contact your Holset representative or dealer for specific information regarding the plumbing required.
