

Technical Bulletin

Bulletin No: TCH-003-035

Effective Date: 3/1/92

Cancels: NA

Page: 1 of 1

Subject: TH-2 CONTROL VALVE OBSOLESCENCE

Effective immediately, Bendix is OBSOLETING ALL TH-2 THREE WAY CONTROL VALVE ASSEMBLIES. Assemblies and major detail parts listed on the back side of master parts catalog page 03-L-6 and in the Quick Reference Catalog (BW-1114) are no longer available after existing stock of these parts is depleted.

For possible replacement of the Bendix TM-2, consult Williams Air Controls, referencing their control valve model series WM-317 and WM-486.

Reference and or mark the following publications:
