Once you select **Check Availability**, a pop-up box opens

The screenshot shows a 'Check Availability' pop-up window. At the top, it says 'Check Availability' with a close button. Below, there are two dropdown menus: 'ORDER TYPE' set to 'EMERGENCY' and 'QUANTITY' set to '1'. Below these is the text '109685 is available for EMERGENCY'. At the bottom, there is a green-bordered button labeled 'Check Availability'.

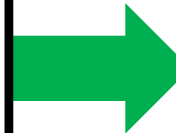

For **Emergency** order types:

→ You can only add quantities up to 2 pieces.
Select the **Check Availability** button for the availability message.

For **Stocking Order** or **Ship Following Day** order types:

→ Enter any quantity and select the **Check Availability** button for the availability message.

The screenshot shows a 'Check Availability' pop-up window. At the top, it says 'Check Availability' with a close button. Below, there are two dropdown menus: 'ORDER TYPE' set to 'STOCKING ORDER' and 'QUANTITY' set to '5'. Below these is the text '109685 is available for EMERGENCY'. At the bottom, there is a green-bordered button labeled 'Check Availability'.

The screenshot shows the result of the 'Check Availability' action. At the top, it says 'Check Availability' with a close button. Below, it says '109685 is available'. Below that is a table with two columns: 'QUANTITY' and 'ESTIMATED DELIVERY DATE'. The table has one row with the values '5' and '05/10/2022'.

QUANTITY	ESTIMATED DELIVERY DATE
5	05/10/2022
