

Part Number Update

Bulletin No: PNU-232

Effective Date: 10-26-2016

Cancels: NA

Page: 1 of 1

The following new part numbers are now available for servicing the Bendix® ADB22X™-LT air disc brake.

Bendix® Caliper with Carrier Part Number	Application	Bendix® Pad Kit Part Number
K128828SC	ADB22X-LT, Brake Assembly, 0°, Type "A" Brake	K129276
K128829SC	ADB22X-LT, Brake Assembly, 0°, Type "B" Brake	

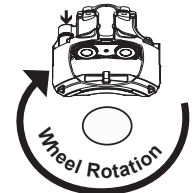

Note that the SC suffix on the caliper/carrier part number indicates that the part number is service new with a core requirement.

For Bendix® Air Disc Brakes, as a vehicle travels forward, the wheel always rotates towards the fixed-pin side of the caliper first.

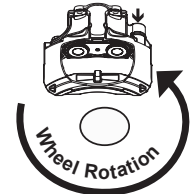

Type 'A'

On most vehicles, Type A calipers are used on the passenger's side of the vehicle. (There are some rare driver's side applications.)

Type 'B'

On most vehicles, Type B calipers are used on the driver's side of the vehicle. (There are some rare passenger's side applications.)

As always, we stand ready to address any questions or concerns you may have regarding these updates. Please contact your Bendix Representative or the Bendix Tech Team at 1-800-AIR-BRAKE (1-800-247-2725), option 2. Thank you for your business and your continued support.
