

Part Number Update

Bulletin No: PNU-229

Effective Date: July 20, 2016

Cancels: NA

Page: 1 of 1

Subject: **Alcohol Evaporator Check Valve Obsolescence**

Effective immediately, Bendix has obsoleted the check valves listed below, due to the absence of available subcomponents in the market. In light of the very limited demand for these part numbers, there are no replacements currently available.

Obsolete Bendix® Part Number
275756
275756N
282712
284805
