

UP2DATE

AIR, CABIN, FUEL AND OIL FILTERS FROM KNORR-BREMSE

With more than 20 years field experience in air drying and filtration and more than 30 million Air Dryer Cartridges produced, Knorr-Bremse is one of the top names when it comes to providing commercial vehicles throughout the world with premium quality Air Dryer Cartridges. Drawing on its wealth of experience and extensive expertise in developing products for air treatment and drivetrain, Knorr-Bremse will expand its filter program into a comprehensive premium product range from mid 2019.

Knorr-Bremse is now able to provide distributors, workshops and fleets with a wide range of Air, Cabin, Fuel and Oil Filters at an attractive price-performance ratio. This reduces vehicle operating costs without compromising functionality, quality or safety. The Filters are available for almost every European commercial vehicle application.

At a glance

- › Expertise in filtration gained over many years
- › Premium quality at mid-range price for cost optimized maintenance
- › Clearly structured logistic strategy and delivery performance ensure that Knorr-Bremse Filters are available quickly
- › Quality comparable to OE products – according to benchmark testing by external laboratories and assessment by external filter experts
- › Approval according to Knorr-Bremse regulations for manufacturing and sales processes – satisfying the highest standards in the automotive industry
