Subject: **New Bendix® ADB22X® Air Disc Brake Pad Kit Part Number**

Effectively immediately, Bendix Commercial Vehicle Systems LLC (Bendix) announces the availability of a new air disc brake pad kit for the aftermarket. This kit, Bendix part number K182236, contains four (4) Bendix® aftermarket pads (with BA236™ aftermarket friction formulation) and an OE hardware kit including two (2) new retainer bars. This pad kit will maintain Bendix's five-year caliper warranty. The performance of the pads exceeds FMVSS121 requirements. The BA236 pads exceed Reduced Stopping Distance (RSD) and parking hill hold requirements.

K182236 (BA236) supersedes K182235 (BA235) effective April 1, 2021.

The K182236 is also designed to be part of the Bendix friction couple (pad and rotor) for use with all Bendix-approved rotors to optimize pad and rotor life.
