

DRIVE INTO SAVINGS ON BENDIX ADB SERVICE NEW AND REMAN CALIPERS PLUS ROTORS

- Bendix calipers are remanufactured (not rebuilt) one time only – that’s it
- Produced using proven OEM air disc brake manufacturing processes
- Proprietary adjuster helps reduce potential drag, overheating, and brake pull issues
- Maintain Bendix® friction couple

Mix and Match Popular Bendix Service New or Reman Calipers and Rotors

Special Promotional Pricing Available
May 1 – December 31, 2024

Orders must be shipped by December 31, 2024 to receive the discount.
