

# Bendix® Electronic Control Unit (ECU)

**WARNING**

**After installation, a reconfiguration of the ECU may be required.**

Use Bendix® ACom® PRO™ Diagnostic Software to verify that the ECU configuration is correct for the vehicle. *Reconfigure as necessary.*

**On [b2bendix.com](https://b2bendix.com), select *Services and Support* then *Diagnostic Tools* to download Bendix ACom PRO Diagnostic Software.**
