# How to Use the Quick Order Form

After logging into the site, you can get to the **QUICK ORDER** form two ways, on the main homepage under the **QUICK ORDER** lcon or from **MY ACCOUNT** dashboard.

Fill in the Quick Order

- Bendix part number / customer part number
- Quantity requested
- Requested delivery date

Select order type from the dropdown list

- · Stocking Order populate six days from when you entered your order
- · Ship Following Day populate the next days from when you entered your order
- Emergency Orders populate the same day you create your order

### Weekends are not included in the date calculations

Proceed to the checkout by clicking on the **Check Out** button.

You may see the following pop message, if you have the same part number with the same requested delivery dates the system will merge them together before sending you to the check page.

If you do not want to merge the lines together click on **No** and change the requested delivery date.

By clicking on Yes you will go to the checkout page to complete the process.

### If you have any questions or need further assistance.
