# How to Search Open Line Position Status

- Go to **My Account** → click on **My Orders** → click on **Open Positions**
- Change Customer ID (if multiple IDs available). User can search open positions based on Customer PO Number, Bendix Order Number, Bendix Part Number, and/or Customer Part Number
- The **Order Date From** and **Order Date To** fields are mandatory
- Click on **Show Orders of Coworkers** to see all orders placed under the selected Customer ID
- Users can click on individual PO Numbers or Bendix Order Numbers hyperlinks to see order status details
- Users can click on the **Export** button and export the entire list into an Excel file

**Open Positions**
