Bulletin No: PNU-120

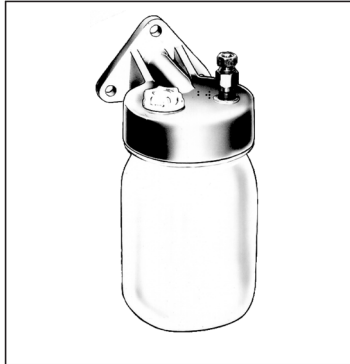

Effective Date: July 11, 2008 Cancels: N/A

Page: 1 of 1

Subject: Bendix® Alcohol Evaporators and Injectors

Bendix Commercial Vehicle Systems LLC discourages the use of alcohol in the air brake system as a means of preventing a freeze-up and will consider the Bendix® air system components' warranty void if analysis shows that alcohol was added to the air brake system. Please see Technical Bulletin TCH-008-042 for details.

In keeping with this position, the following part numbers will only be available until the current supply is depleted, at which time they will be considered obsolete with no future orders filled.

AE-1 Evaporator

AE-2 Evaporator

Alcohol Injector

Piece No.	Description	Piece No.	Description
101116	ALCOHOL EVAPORATOR	260580	KIT
