Subject: **BENDIX® IS-2™ INDICATION & SHUTDOWN MODULE LAST TIME BUY**

At Bendix Commercial Vehicle Systems LLC (Bendix) we're always looking for ways to further enhance our operations and efficiency. As part of that continuous improvement effort, from time to time we take the action to consolidate or obsolete select product offerings.

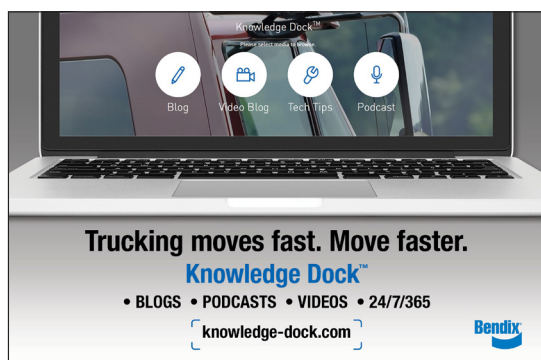

With this in mind, effective April 30, 2018, Bendix will obsolete all current part numbers associated with the Bendix® IS-2™ Indication & Shutdown Module. The chart below lists the parts currently in stock, one or more of which may have previously been purchased by your business.

Bendix® IS-2™ Module Part Number
801034
800379
800380
5009103
5002557
5002558

We want to offer you the chance to complete a last time buy from the existing stock.

NOTE: All stock is available on a first-come/first-served basis so take action immediately. To make a last time buy, simply include the part numbers and quantities per part you desire in your next Bendix order. Available materials will be shipped to you per our customary manner.

We appreciate your cooperation and understanding as we implement this change. As always, we stand ready to address any questions or concerns you may have regarding these updates. Please contact your Bendix Representative, or phone us at 1-800-AIR-BRAKE (1-800-247-2725) if you need further assistance. Thank you for your business and your continued support.
