Subject: **New Bendix® WS-24™ Wheel Speed Sensor Clamping Sleeves**

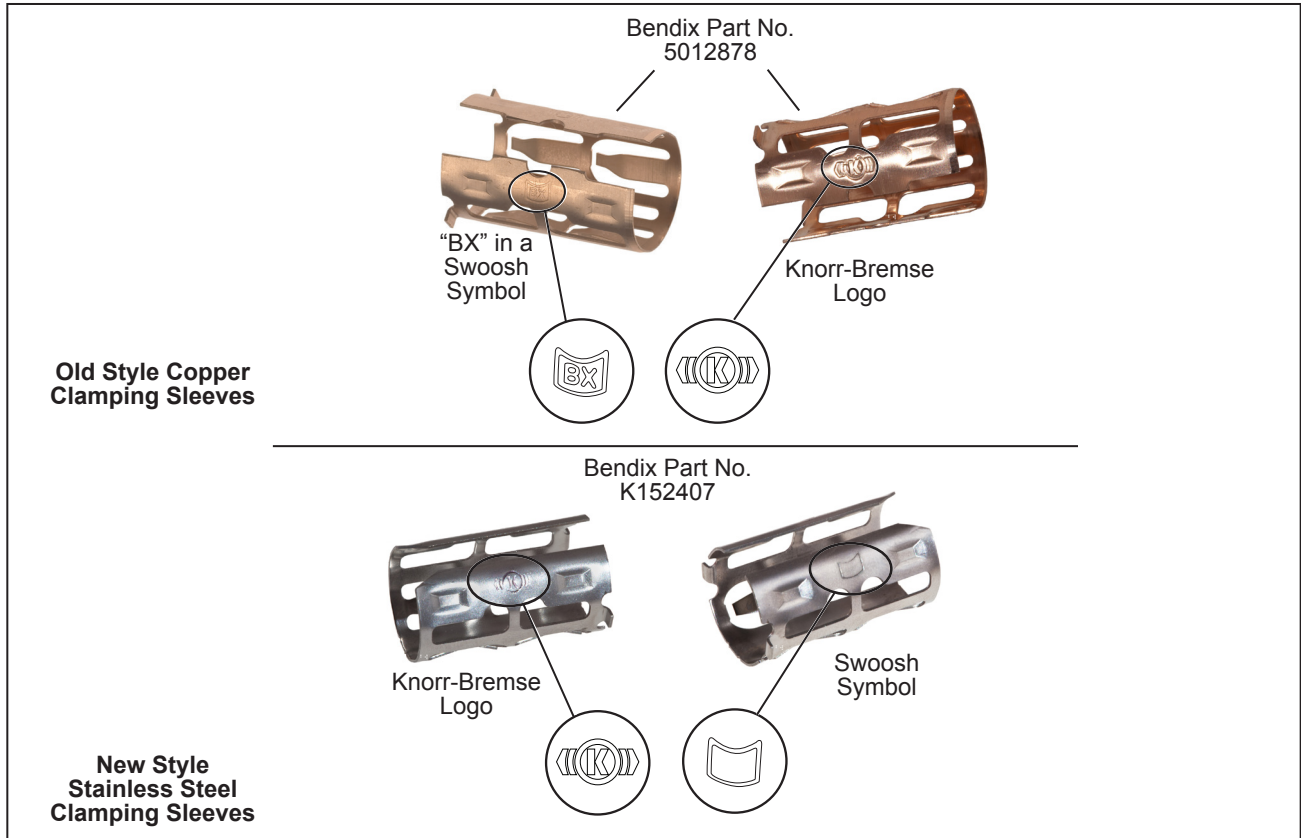

Figure 1 – Wheel Speed Sensor Clamping Sleeves

GENERAL

The clamping sleeves for the Bendix® WS-24™ wheel speed sensors have been updated. The new clamping sleeve replaces all previous Bendix® clamping sleeves for the WS-24 wheel speed sensors. When replacing a clamping sleeve, order Bendix part number K152407. The new sleeves are stainless steel with the Knorr-Bremse logo or the Bendix® swoosh.

REFERENCE

For additional Bendix® WS-24™ wheel speed sensors information, refer to Service Data sheet SD-13-4860 available on bendix.com.
